The Power to Make a Difference

Summer is a time to relax and regroup. Summer is also a time to recharge your superpowers. You heard right, **you** have superpowers. You have the power to create far-reaching effects with your support.

You are the reason why we stand here today on our 40th anniversary and can share stories, like the recent online article in Parade Magazine, with a larger audience. You also have the amazing ability to create **twice** the impact for our service animals and recipients with a **single** gift. Read below how you can make your support go further this September.

Featured in this newsletter:

All gifts made between September 1-September 30 will be matched.

Mark your calendar, donate, and increase the value of your contribution!

Stay tuned for more information in our September eNewsletter and on social media.

The first 15 donors of the Challenge will receive a Helping Hands "Retro" T-shirt!
