

This September, Join The Helping Hands Matching Gift Challenge!
Your Gift Will Have Double the Impact This September

On September 1, we kicked off the Matching Gift Challenge.

A generous donor has pledged to give \$15,000 but only if we raise a matching \$15,000. Throughout September, we will be asking our supporters to donate towards this challenge.

Help us raise \$30,000 today!

How you can help:

- Donate today to help kick off this challenge!
- Create a Facebook Fundraiser to spread the word and raise funds.
- Share this exciting news with your friends and family to help us reach our goal.

We hope you decide to join us and help to make it a success!

Donations raised by the challenge will go towards supporting Helping Hands programs and services.

Yes, I Want To Double My Gift!

September is Spinal Cord Injury and Muscular Dystrophy Awareness Month

We pay tribute to the advances made in research and are forever grateful to the families and caregivers of those living with paralysis.

A majority of our clients live with SCI and other mobility limiting conditions, such as
